Sprint 3 Report
Team Hipster - SlugSearch

Actions to stop doing:
Stop working on the app. We're done!

Actions to start doing:
Study for the final.

Actions to keep doing:
Mentally prepare ourselves for the future.

Work completed:
As a software engineer, I want to have reusable tests to make sure the product functionality is always maintained. (21pts)
As a user, I want to read a user guide so I can learn how to use the app. (5pts)
As a developer, I want to refine the user interface so the app looks as nice as possible. (3pts)
As a user, I want to create an account so I can store my schedule. (13pts)
As a user, I want to access the app on a tablet. (8pts)
As a user, I want a link to myUCSC so I can enroll in classes. (1pt)

Work not completed:
N/A

We still need to complete the following user stories:
N/A

Work completion rate:
The total number of user stories finished is 15.
Total number of story points completed in Sprint 3 is 51.
There were 30 days in Sprint 3. Six user stories were completed in 30 days.
80 ideal work hours were completed in 30 days as well.
This means we completed about 0.2 user stories and 2.6 ideal work hours per day.
